Dear Stretch-n-Grow Parents,

We are very excited to announce our brand new project to take Stretch-n-Grow around the World to Montego Bay, Jamaica this June. Brittany, one of our coaches, will serve the needy community of Barrett Hall by teaming with Chase Oaks Church and Mission Discovery. Her job is to serve a local church that hosts a pre-school that now has over 50 children in attendance. The school provides children with education and care so mothers are able to work. Her responsibilities will consist of serving the church and school, helping with construction, and leading a vacation bible school for the community children. She will also have the opportunity to serve at Blossom Garden Children's Home, a local orphanage that houses over 70 children. The team is striving to provide a loving, educational environment for underprivileged children in this poverty stricken community.

We need to raise approximately \$2,000 to fully fund the trip. Additional donations will be given to Victory Christian Fellowship to support their ministry. One of our fundraisers for this project will be a "Parent's Night Out" event on Friday, May 23rd, from 6:00-10:00. **Our Stretch-n-Grow staff of certified caretakers who have FBI background checks and CPR/1st Aid will supervise your children.** Premier Sportsplex has generously donated their facilities for this event. We will have access to two gyms, a climbing rock wall, and an additional room to entertain the children. The children are sure to have a blast with our activities while you enjoy some "adult" time. The cost for one child to attend will be \$15. Two children will be \$25 and we have a set family rate of \$35 for families of three or more children. Dinner will not be offered, but you are welcome to bring food and snacks.

If you would like to sign your child(ren) up for the Parent's Night Out on May 23rd, please visit our website to register online. There are limited spaces based on staffing, and all spots will be filled based on a FIRST COME, FIRST SERVE BASIS. You will receive an email to verify your child's spot for the evening.

We are so very grateful for your help with this project! We are thrilled to have the opportunity to travel to Jamaica to help this impoverished community!!

Sincerely,

Renee or Randy Terry
