Session 2 –Hip Hop Cheer Rock

(March 17th-May 9th):

We are getting ready to sizzle this spring with our ALL NEW CURRICULUM...Hip Hop & Cheer Rock! We are taking it to the street as we teach our kids how to move-n-groove to a Hip Hop beat! Classes will cover the fundamentals of hip hop dance: popping, locking, and funk. Children will learn trendy age appropriate dance technique and choreography. We'll also incorporate our most-requested cheer program highlights! This is sure to be a FUN departure from our classical approach to dance and cheer. This 8 week session will combine hip hop dance with basic cheerleading, as our cheer dancers learn: Cheer and Dance Terminology, Hip Hop Dance Moves, High Energy Spirit Dance, Execution of the NCA jumps and arm motions, children will be challenged with stunting and formation changes within the dances as well. Students will be divided into age groups in which they will learn age-appropriate skills and choreography. The funky new cheer dance routine will be showcased in the "dance off demonstration" at the end of the session.
